This is a project of the Regional Transportation Authority. The voter-approved, \$2.1 billion RTA plan will be implemented through 2026. Details about the full plan are available at www.RTAmobility.com. The Regional Transportation Authority has a nine-member board with representatives from local, state and tribal governments. This project will be managed in partnership by the Arizona Department of Transportation and the Town of Marana.

ARIZONA DEPARTMENT OF TRANSPORTATION *Interstate 10 -- Twin Peaks Interchange*

Dec. 30, 2009

For Immediate Release

Eastbound I-10 traffic switch to take place beginning Jan. 8

The Arizona Department of Transportation (ADOT) is continuing construction along Interstate 10 and the eastbound frontage road.

The following traffic impacts and activities will take place from Friday, Jan. 8 at 10 p.m. through Monday, Jan. 11 at 5 a.m.

- **TRAFFIC IMPACT:** Eastbound I-10 will be reduced to one lane from Avra Valley Road to Cortaro Road (milepost 242 to 246).
- **TRAFFIC IMPACT:** Westbound I-10 will be reduced to one lane from Avra Valley Road to Cortaro Road (milepost 242 to 246).
- **ON-RAMP CLOSURE:** Eastbound I-10 on-ramp at Avra Valley will be closed. Traffic will be detoured onto the eastbound frontage road to use the Cortaro Road eastbound I-10 on-ramp as an alternate route.
- **ON-RAMP CLOSURE:** Westbound I-10 on-ramp at Cortaro Road will be closed. Traffic will be detoured onto the eastbound frontage road to use the Ina Road westbound I-10 on-ramp as an alternate route.

ADOT advises drivers to proceed with caution, obey all posted speed limit signs and be alert for construction equipment and personnel.

While ADOT strives to inform the public about planned roadway restrictions, during any complex construction project unscheduled closures or restrictions might occur. ADOT appreciates the driving public's patience as it constructs these improvements.
