For Immediate Release

### **Median Pole Installation Requires Lane Closures:**

#### ***Twin Peaks Road at Coachline Boulevard***

On Wednesday, construction crews will begin installing traffic signal poles in the median at Twin Peaks Road in Continental Ranch. Installation will require left lane closures for both east- and west-bound travel lanes along Twin Peaks Road at Coachline Boulevard.

Work will take place Monday through Friday from 5 a.m. to 3 p.m.; crews anticipate completion by June 14.

This improvement is being made possible as part of the Twin Peaks Interchange Project, which is a partnership among the Arizona Department of Transportation, Town of Marana and the Regional Transportation Authority.

ADOT advises drivers to proceed with caution, obey all posted speed limit signs and be alert for construction equipment and personnel. Please do not follow construction vehicles into the work zone.

*While ADOT strives to inform the public about planned roadway restrictions, during any complex construction project unscheduled closures or restrictions might occur. ADOT appreciates the driving public's patience as it constructs these improvements.*
