This is a project of the Regional Transportation Authority. The voter-approved, \$2.1 billion RTA plan will be implemented through 2026. Details about the full plan are available at www.RTAability.com. The Regional Transportation Authority has a nine-member board with representatives from local, state and tribal governments. This project will be managed in partnership by the Arizona Department of Transportation and the Town of Marana.

ARIZONA DEPARTMENT OF TRANSPORTATION *Interstate 10 -- Twin Peaks Interchange*

July 27, 2010

For Immediate Release

Roadway debris clean-up scheduled along I-10 between Cortaro Road and Avra Valley Road

MARANA – Crews will remove large debris littering I-10 within the Twin Peaks Interchange construction limits Wednesday from 2 a.m. to 5 a.m. Due to the two lane barrier restricted configuration, cleanup will require a rolling lane closure and assistance from DPS.

Motorists traveling within the construction zone may experience minor delays. ADOT urges motorists to drive with caution, obey posted speed limit signs, and be alert for construction equipment and personnel.

While ADOT strives to inform the public about planned roadway restrictions, during any complex construction project, unscheduled closures or restrictions might occur. ADOT appreciates the driving public's patience as it constructs these improvements.
