Tiffany Loop Opens to Traffic, Frontage Road Closes

The following traffic impacts and activities will take place:

INTERSTATE 10

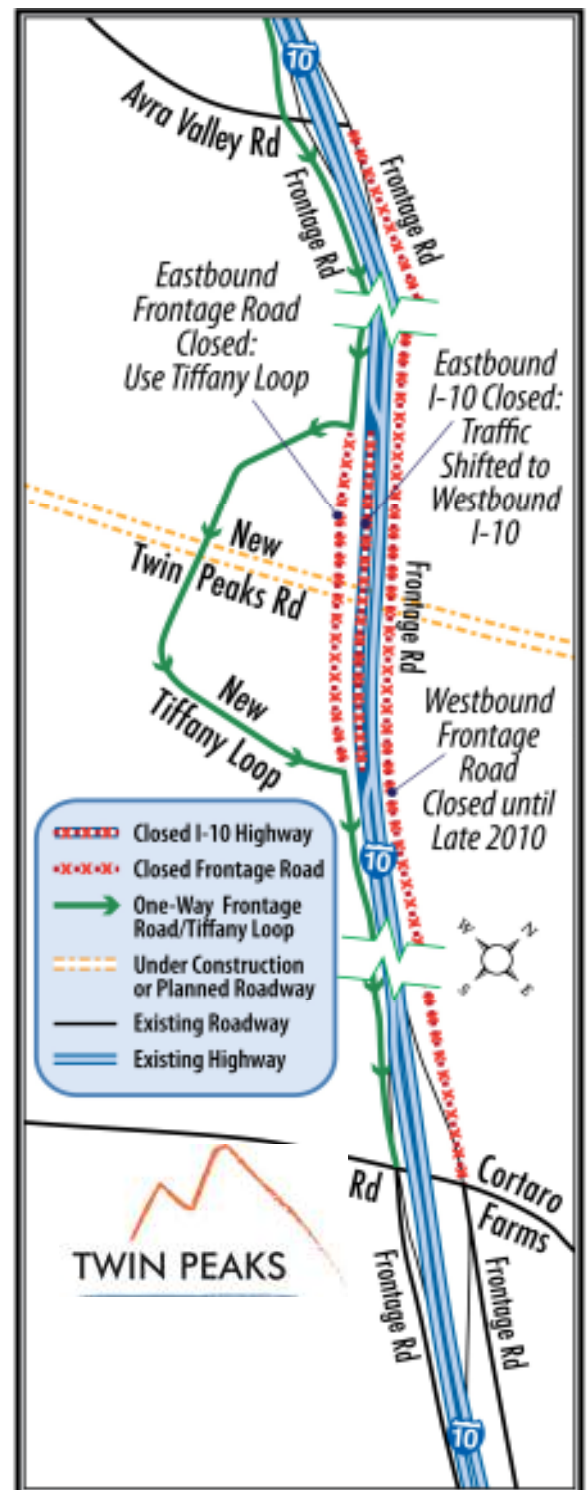

- **TRAFFIC SWITCH:** Eastbound I-10 traffic has been shifted to the new travel lanes on westbound I-10. Westbound I-10 travel lanes have been shifted to the right to accommodate the change. Two travel lanes will continue to be maintained in each direction.

FRONTAGE ROAD

- **CLOSURE:** On Sept. 28 at 5 p.m., the eastbound frontage road will close between the two Tiffany Loop access points. Motorists will be detoured to the new Tiffany Loop roadway alignment.
- **CLOSURE:** The westbound frontage road remains closed from Cortaro Road to Avra Valley Road until late 2010. Motorists should use I-10 as a detour route.
- **TRAFFIC CONTROL:** A no-passing zone is in effect on the eastbound frontage road from Avra Valley Road to Cortaro Road.

TIFFANY LOOP

- **TRAFFIC SWITCH:** On Sept. 28 at 5 p.m., Tiffany Loop will open to one-way eastbound traffic. At this time, the eastbound frontage road will close between the two Tiffany Loop access points and motorists will be detoured to Tiffany Loop. Business access will be provided along Tiffany Loop.
- **TRAFFIC CONSTROL:** The speed-limit on Tiffany Loop is 25 mph. Please be aware of construction vehicles and personnel, as this area is still under construction.

While ADOT strives to inform the public about planned roadway restrictions, during any complex construction project unscheduled closures or restrictions may occur. ADOT appreciates the driving public's patience as it constructs these improvements.
